

**MEMBERSHIP APPLICATION**

The Strafford Rivers Conservancy is a non-profit organization dedicated to protecting and conserving the natural beauty, resources, and character of Strafford County. The SRC achieves its mission through the promotion of conservation easements, education, and the acquisition and stewardship of land. Specifically, we identify open space lands that are locally important, develop landowner trust and interest in conservation, generate support for conservation projects, complete complex real estate and financial transactions and enforce conservation restrictions. In order to achieve our mission we work closely with all sectors of the community including public agencies, private landowners, businesses and other non-profit organizations.

Your annual membership dues are critical to the organization’s success; they provide funds to secure easements, perform monitoring duties, and practice effective stewardship of The SRC’s lands and easements. As a member you will receive newsletters outlining our ongoing conservation efforts and invitations to workshops and special events.

Thank you for joining us in our efforts to protect and conserve our natural heritage for the enrichment of present and future generations and for the sake of the environment.

Select a Membership Level:

- \$1000 Conservator
- \$500 Sponsor
- \$250 Partner
- \$150 Steward
- \$100 Sustainer
- \$60 Contributor
- \$40 Family
